

Town of Shellbrook

Policy Title Cross Connection of Water System		Adopted By Council	Policy Number 7000	
Origin/Authority	Jurisdiction		Effective Date April 28, 2014	Page
Reviewed By	Town of Shellbrook		Amended:	1 of 1

Policy:

No person shall interconnect any appliance, device or system which could back flow into the with the Town's potable water system without installing proper back flow, anti-siphon, air-gap or other system(s) as approved by the public works committee.

Persons with their own private water systems shall not connect their systems with the municipal water supply. An air-gap shall be maintained between the systems.
