

A bylaw of the Town of Shellbrook to prohibit certain activities creating noise and to restrict the hours when certain sounds may be made.

WHEREAS Section 152 of The Urban Municipality Act provides that Council may pass bylaws for all or any of the following purposes:

(4) controlling and regulating the use of all streets, sidewalks and other public places and delegating to the police powers in connection therewith to act in an emergency;

(8) prohibiting, eliminating or abating noise; and

WHEREAS Section 137 of The Urban Municipality Act provides that in matters not specifically provided for in the Act, the Council may pass such bylaws as are deemed expedient and are not contrary to law for the peace, order and good government of the municipality and for promoting the health, safety, morality and welfare of the inhabitants thereof; and

WHEREAS Section 165 of The Urban Municipality Act provides that Council may pass bylaws for all or any of the following purposes:

(21) prohibiting or controlling and regulating the use of loudspeakers or other devices for the amplification of sound on any street or other public place or in any building or premises with the intention or result that the sound therefrom shall be or is audible to persons using or

frequenting any street or other public place; and

WHEREAS Sections 60 and 61 of The Planning and Development Act provides that Council may pass bylaws to:

regulate the amount and nature of sound that may be emitted from a building or other structure, or from within a parcel of land or any operation thereon ...; and

WHEREAS the incidence of noise in the Town of Shellbrook is such that the Council of the Town of Shellbrook deems it expedient that regulations be made restricting and abating the activities which give rise to unnecessary noise in the Town; and

WHEREAS the intent of this Bylaw is that all noise shall be reduced as far as possible compatible with the normal activities of urban life and that unnecessary noise be eliminated; and

NOW THEREFORE, the Council of the Town of Shellbrook enacts as follows:

1. This bylaw may be cited as "The Noise Bylaw".
2. In this Bylaw, including this Section:
 - (a) "Town" means the corporation of the Town of Shellbrook or the area contained within the boundaries of the Town of Shellbrook as the context requires;
 - (b) "holiday" means any statutory holiday as defined in The Interpretation Act, and amendments thereto, or any holiday proclaimed as such by the Council of the Town of Shellbrook;

- (c) "motor vehicle" means "motor vehicle" as defined in The Motor Vehicles Act of Saskatchewan;
- (d) "residential building" means a building which is constructed as a dwelling for human beings;
- (e) "residential district " means a district defined as such in the Zoning Bylaw enacted by the Council of the Town of Shellbrook and amendments thereto;
- (f) "signalling device" means a horn, gong, bell, klaxon, siren or other device producing an audible sound for the purpose of drawing people's attention to an approaching vehicle, including a bicycle;
- (g) "weekday" means any day other than a Sunday or holiday.

General Prohibition

3. (1) Except to the extent it is allowed by this Bylaw no person shall make, or continue to make, or cause to be made, or allow to be made, or allow to be continued to be made, any loud noise, or any unnecessary noise, or any unusual noise.
- (2) Except to the extent it is allowed by this Bylaw, no person shall make, or continue to make, or cause to be made or cause to be continued, or allow to be made, or allow to be continued, any noise whatsoever which either annoys, disturbs, injures, endangers or detracts from the comfort, repose, health, peace or safety of other persons within the limits of the Town.
- (3) What is a loud noise, an unnecessary noise, an unusual noise, or a noise which annoys disturbs, injures or endangers the comfort, repose, health, peace or safety of other persons is a question of fact for a court which hears a prosecution of an offence against this Bylaw.

Domestic Noises

BRADLEY & LANE

4. Without restructuring the generality of Section 3, no person shall operate or allow to be operated a lawn mower of any kind, or a snow clearing device powered by an engine or any type or a model aircraft driven by an internal combustion engine in any residential district between the hours of:
- (a) 10:00 o'clock in the evening and 7:00 o'clock of the next forenoon on weekdays;
 - (b) 10:00 o'clock in the evening and 9:00 o'clock in the forenoon of the following day which is a Sunday or holiday.
5. No person who owns, keeps, houses, harbours or allows to stay in his premises a dog shall allow such dog to bark excessively or howl excessively.
6. (1) No person being the owner or occupant of any premises shall:
- (a) operate, or permit to be operated, or suffer to be operated, or allow to be operated, play or allow to be played, any radio, phonograph, record player, tape recorder, television set, musical instrument, or any other apparatus, appliance, device or machine used for the production or amplification of sound, or
 - (b) make, continue to make, cause to be made, allow to be made, allow to continue to be made, suffer to make or suffer to continue to be made, any noise whatsoever, either in or on private residential premises in such a manner that the same shall be easily heard by an individual or member of the public who is not on the same premises from which such noise or sound emanates.
- (2) For the purpose of this Bylaw, "premises" shall mean the area contained within the boundaries of any lot and includes any buildings

BRADLEY & LANE

situate within such boundaries. Provided, however, that where any building contains more than one dwelling unit, each dwelling unit, or common area of such building and the land surrounding the building within the boundaries of the lot shall be deemed to be separate premises.

(3) For the purpose of this Bylaw "occupant" shall mean the owner, occupant or licensee of the premises or any person found on the premises at or around the time when the noise or sound issues from the premises.

Construction Noises

7. Except in an emergency, no person shall carry on the construction, erection, demolition, alteration or repair of any type of building or structure which involves hammering, sawing, drilling or the use of any machine, tools or any other equipment capable of creating a sound beyond the boundaries of the site on which the activity is being carried on, after the hour of 10:00 o'clock in the evening and before the hour of 7:00 o'clock in the morning of any day.

8. Except in any emergency, no person shall operate or allow to be operated a cement mixer, a cement mixer truck, a gravel crusher, a riveting machine, a trenching machine, a drag line, an air or steam compressor, a jack-hammer or pneumatic drill, a tractor or bulldozer or any other tool, device or machine of a noisy nature, so as to create a noise which may be heard in any residence between the hours of 10:00 o'clock in the evening and 7:00 in the morning.

Advertising Noises

9. No person shall advertise any event or merchandise by ringing bells, blowing whistles, calling loudly, playing music, playing any type of musical instrument, playing or using any type of noise making instrument or by the use of loud speakers or other devices for the amplification of sound,

or by any other audible means, or any street or other public place or in any building or premises with the intention or result that the sound therefrom shall be or is audible to persons using or frequenting any street or other public place.

Diesel Motors

10. No person shall allow the diesel motor or a tractor which pulls a trailer or a semi-trailer truck to remain running for longer than 20 minutes while the tractor-trailer, or tractor alone, is stationary in a residential district.

Exceptions

11. The provision of this Bylaw shall not apply to:
- (a) the ringing of bells in churches, religious establishments and schools;
 - (b) the moderate use of musical instruments to call attention to an opportunity to contribute to a collection made for a charitable undertaking during the Christmas season or any other time;
 - (c) the playing of a band, the sounding of a steam whistle, the sounding of motor vehicles horns or the use of sound amplifications equipment used in connection with any parade;
 - (d) the moderate playing of musical instruments appropriate to any religious street service;
 - (e) the sounding of a general or a particular alarm or warning to announce a fire or other emergency or disaster;
 - (f) the sounding of a factory whistles and similar devices at normal appropriate times;
 - (g) the sounding of police whistles or the sirens or any vehicle used by the police or fire department or on any ambulance or public service vehicle;

BRADLEY & LANE

- (h) any use of sound amplification equipment used by the police fire department or any ambulance service or public service;
- (i) the use in a reasonable manner of any apparatus or mechanism for the amplification of the human voice or of music in a public park or any other commodius space in connection with any public election meeting, public celebration, or other reasonable gathering;
- (j) transit vehicles engaged in normal transit operations

Penalties

- 12. (1) Any person who contravenes any provision of this Bylaw is guilty of an offence and is liable on summary conviction to a minimum fine of Fifty (\$50.00) Dollars and a maximum fine not in excess of Five Hundred (\$500.00) Dolalrs or, in default of payment of the fine and costs, to imprisonment for a period not exceeding 30 days.
- 13. This Bylaw shall come into force and take effect on the day of the final passing thereof.
