## Purpose:

This policy will set out the guidelines to host a street party and the requirements to have a street closed for said party.

## Policy:

To provide residents with clear guidelines when they are considering hosting a street party.

## Procedure:

A letter must be forwarded to the Administrator no less than 10 days prior to the planned party, stating the following information:

- a) Date and time of party, list specifics.
- b) Exact location of street closure giving streets, avenues, or crescents affected.
- c) Signatures of over 75 percent of the residents affected by the closure of streets, agreeing to the closure for the party.

Upon receiving the above information, the Administrator shall approve the block party provided that:

- a) No intersecting street is to be closed.
- b) There is no charge for the barricades, however, we do encourage the applicant to pick up and return the barricades themselves.
- c) Further, all block parties are to end no later than 2:00am. Be courteous of your neighbors!
