At Meter Reading Time.....

Please keep pathways clear by removing anything blocking access to your water meter for our meter readers! Thank you!

TIPS FOR SPRING

- ✚ Check to ensure your water shut off valve works.
- ✚ Make sure down spout and eaves are clear so water flows away from your home.
- ✚ Storm sewer in front of your house? Remove the debris to ensure free flow to the drain.

Utility & Tax Payments Reminder

Please make payments from an ATM or banking institution at least 7-10 days before the last business day. Payments are only applied when they are received in office. Payments can also be made at the municipal office between 9am-4pm by cash, cheque or debit. If that is inconvenient, we have a locked drop off box located by the front door for after hour payments which are entered in our system the next business day.

Garbage & Recycle Bins

Set out the recycle or garbage bins to ensure pick up by **6:30 am on Fridays**.
Remove the bins promptly.

Phone Tree System

When an emergency occurs or we have information we need to distribute, ensure we have your email, cell phone or home phone number. This is an automated system that dials everyone on our list and shows the call originates from our fax number 306-747-3111. Keep in the know! Register your phone number for our phone tree!
