“Be a Snow Angel”

Please help keep the sidewalks safe especially after a snow storm by shoveling and keeping it clear. Doing this will reduce the obvious dangers to pedestrians.

Phone Tree System

We are still collecting contact details from residents to properly inform you when emergent situations occur within town.

Please contact the office to give us your contact information.

Utility Billing: Payments

Please make payments from an ATM or banking institution at least 7-10 days before the **last business day** of the month to allow adequate time for the bank to process and send us the information. Payments are only applied when they are received **in office**. Payments can also be made at the municipal office between 9 am - 4 pm at 71 Main Street by cash, cheque or debit. If that is inconvenient we have a drop off box located by the front door for after hour payments which are entered in our system the next business day.

Animal Licenses

2014 animal licenses are available for purchase at the Town office during regular office hours.

Watch your step

As we experience wintery conditions, walk ways and roads have become increasingly slippery. Please be sure to have appropriate winter boots and watch your steps to avoid any injuries.

Street Lights

Please report street light outages to SaskPower at 310-2220 or go online to <https://secure.saskpower.com/customer-service/outages/report-street-lights.shtml>

Newsletters

January 2014 will be the last monthly newsletter; subsequent newsletters will be issued quarterly.

The Town of Shellbrook would like to wish you a merry Christmas and a beautiful 2014.
