Marg Moline, Ann Simmans & Marliese Kasner attended the meeting @ 12:00pm.

Marliese discussed her concerns around traffic increasing around the daycare, especially large trucks. We advised that that street is not meant for heavy trucks and that all of the commercial lots would have access onto 7th Street East as it is a heavy haul road already and not onto a street or avenue in town. We also let everyone in attendance know that all commercial lots will require a treed buffer separating commercial from residential. Everyone left the meeting @ 12:40pm
