Box 40

Shellbrook, SK S0J 2E0

71 Main Street

Email: townoffice@townofshellbrook.ca

Website: www.townofshellbrook.ca

Office Hours:

Mon-Fri 8:30 am – 4pm

Closed on Stat Holidays

Spring yard waste

The landfill will be open on the 3rd Saturday of every month from May 19th until October 20th, from 12 noon until 4pm. Only clean wood, leaves, tree trimmings, grass clipping and garden refuse will be accepted. Anyone depositing anything other than these items will be subject to a fine! We will also pick up grass clippings, etc., every Tuesday starting on May 1st. Please make sure they are bagged properly and set out back (or front if no back access).

Verbal Abuse of Town Employees.

Please refrain from swearing and yelling at our staff while we are performing our jobs. If employees are verbally abused they have the right to leave the situation and they will not return to address your problem.

We Continue To Go Green!

If you wish to receive your utility or tax notices via email please provide your email address to us. We can now set you up with a pre-authorized payment plan for taxes and utilities. If you require more information either call, email us or stop by the office.

Speeding Drivers

Please alert the RCMP when you observe drivers speeding throughout town. It is their responsibility to monitor traffic concerns. The more information that you can provide will help them bring attention to this serious problem.

Sask Alert

Please download the SaskAlert app to your cell phone. In the event of an emergency in our area you will be notified immediately!

Water valve replacement program

If you plan to replace your shut off valves inside your house between June 1st and September 30th, we will shut off your outside valve at no cost to you. Leaving this until you have an emergency in the middle of winter costs tax payers many dollars every year. In the future there will be a substantial fee charged to the home/business owner if inside valves do not work and we have to freeze the line to shut off your service

Water Meters

Some water meters require a small gray or black box on the outside of your house to allow us to take a reading. Please watch when cutting grass that the wires connecting this box to your inside meter, aren't damaged. When siding houses, please ensure these boxes are not removed. They may appear to have no purpose, but they do. If you have a dog in the yard, a locked gate or debris in the way of us reading your meter, please call in your meter read by the 15th of the month or have it moved to an accessible location. In question, please call the office. The inability to read your meter costs the Town of Shellbrook many dollars in lost revenue every year.

Sewer Backups

If you have a sewer backup, please call the Town office; or the after-hours number at 306-747-3510 before you call a plumber. *This may avoid unnecessary costs to you, the homeowner!*

Garbage & Recycle Bins

To ensure pick up, set out the recycle or garbage bins prior to **6:30 am on Fridays**. Remove the bins promptly after pickup as they interfere with street cleaning and clearing.

Volunteer Fire Department

Have you considered joining the Volunteer Fire Department or First Responders? It's a rewarding way to give back to your community and more volunteers are always needed!! Contact the Town Office or Fire Chief Darwin Baptist for more information.

Are You New To Shellbrook?

Please add your name and contact info to our Phone Tree System. This will keep you in the loop when an emergency occurs or crucial information needs to be shared. Register your contact details by calling the town office to stay in the know!

Emergency Response Team

Emergency Response Team Volunteers are urgently needed. To learn more, call Kelly @ the Town Office (306) 747-4900

Bylaw Enforcement

The town has rules, and if they are not followed, the Bylaw Enforcement Officer may be issuing you a Notice of Violation!! If this happens to you, please be courteous, as he is only following the rules!

Contractors

If you hire contractors, they are required to have a business license through the Town of Shellbrook, to work within town limits.

Shellbrook a better place to GROW!
